ACADEMIC POSITION OPPORTUNITY

Job Title: Part-Time Professor
Program: Protection, Security & Investigation
Division/Department: The Business School
Reporting To: Associate Dean

Competition #: 2017-912
Status: Part-time
Campus: Lakeshore

Salary: Academic start salaries are determined by qualifications and years of related experience.

POSITION SUMMARY:

This position will develop and teach part-time in the Protection, Security and Investigation Program (PSI). The PSI 45-hour course will focus on using the Internet as an investigative tool (Open-Source Intelligence, OSINT). The course will be: geared towards mining online information for use in private-sector and public sector investigations; will be delivered in computer lab facilities at the college; and will instruct student in conducting open-source, online investigations in an effective and ethical manner. Topic areas could include the deep web, meta-search tools, the Internet archive, proxy servers, anonymization, and other related content. Course development will be complete by June 30, 2017. Course development includes course outline as per Humber College standards, weekly lesson plans, and all related material to deliver the course, including course readings, and assessments. Teaching will commence in Fall 2018.

QUALIFICATIONS:

Successful candidates must have relevant training which should include a degree in a related field and industry experience in security and online investigations. Experience with teaching/education is preferred which should include experience with curriculum development and teaching at a post-secondary level. Other requirements include demonstrated leadership and innovation in the field, and excellent organizational and written communications skills. Preference will be given to candidates who are interested in both developing and teaching the course. Teaching qualifications would include knowledge and expertise in the field of online investigations.

We thank all applicants for their interest in this position. Only applicants selected for an interview will be contacted.

Humber College is committed to a workforce that reflects the diversity of our students and our city. We actively seek qualified individuals with demonstrated skill and knowledge to deal with all aspects of diversity in a post-secondary environment. Humber College is committed to accommodating applicants with disabilities throughout the hiring process, in accordance with the Accessibility for Ontarians with Disabilities Act (AODA). Our Recruitment Coordinators will work with applicants requesting accommodations at any stage of the hiring process. This document is available in alternate format on request.

OPEN DATE: February 2, 2017
