ONTARIO WOMEN IN LAW ENFORCEMENT

COMMEMORATIVE *Bracelet*

Sterling silver charm

**Fitted black leather band with
a stainless steel magnetic clasp**

**Designed by renowned
designer Sandra Lewis**

For years the Ontario Women in Law Enforcement (OWLE) has been affectionately known as OWL. The coveted, hand crafted pewter owl has been incorporated as part of our awards ceremony dating back to the late 1990's. So, it only made sense that we use an owl to commemorate our upcoming 20th Anniversary. After much deliberation well known jewelry designer Sandra Lewis was commissioned to design a one of a kind commemorative bracelet using Greek Goddess Athena's owl as inspiration. Sandra has designed a sterling silver charm on a fitted black leather band with a stainless steel magnetic clasp, and an OWLE stamp on the back of each charm. Athena was a goddess of wisdom, courage, inspiration, and law & justice. Her owl is a symbol of knowledge, wisdom and empowerment.
