

## JOB OPPORTUNITY - PROCESS SERVER

In Business for over 35 years, **Canadian Process Serving Inc.** is Canada's largest, oldest and most respected provider of litigation support services to the legal profession, businesses and private citizens. We are looking for qualified individuals to be self-employed, independent, part-time, contract, **Process Servers**. Currently serving and retired peace officers and members from local, provincial and federal agencies alike are qualified.

Successful candidates are those who are mature, efficient, flexible, can work independently, are detail oriented, and can communicate effectively with clients and co-workers. You must have a clean background (provable by way of a criminal records check), have references, and be able to set up a home office (i.e. cellular phone, laser printer/scanner/copier and a computer with Microsoft Word/internet access). Fully computer literate. You must also have a properly maintained and insured vehicle.
